

e-Sword® Quick Reference

The screenshot shows the e-Sword software interface with several panels and toolbars. Red lines and boxes highlight specific features, which are explained in yellow callout boxes. Red text labels identify the main panels: Bibles, Commentaries, and Dictionaries.

Callouts:

- Type Scripture reference
- Previous/Next reference
- Select Scripture reference
- Search Bible
- View Verse List
- Click a verse to get comments in commentary
- Click any word to get definition in dictionary. Right click to search Bible.
- Mouse over Strong number to display definition. Click to see in dictionary.
- Icon means Dictionary has info on word or topic
- Maximize, Bible, Commentary, Dictionary Windows
- Graphic Viewer & Reference Library
- Icon means Commentary has info on active verse
- Mouse over Underlined green references will display pop-up ToolTip. Click to go there in Bible.
- Right click a number to bookmark the active verse
- Stores your date-based comments
- Stores your verse-specific comments
- Stores your topic-specific comments

Panel Labels:

- Bibles**: Displays the selected Bible text (e.g., Paul's Defense Before Agrippa).
- Commentaries**: Displays commentary on the selected verse (e.g., Acts 26:1).
- Dictionaries**: Displays the definition of the selected word (e.g., Agrippa I).
- Editors**: Contains tabs for Journal Notes, Study Notes, and Topic Notes.

e-Sword Quick Reference

Bibles

The screenshot shows the e-Sword Bibles toolbar. The top row contains tabs for Bible versions: BBE, CEV, ESV, ESV+, Greek NT, Greek NT WH+, KJV, KJV+, Compare, and Parallel. The bottom row contains icons for various functions. Red lines connect these icons to callout boxes below the toolbar.
